Keywords: demography, migration, emigration, immigration, population structure, labor market and social policy.

PEDAGOGY

Vyazovova N.V., Koruchev K.A.

PSYCHOLOGICAL ASPECTS OF RESEARCH OF ATTENTION PERSONS WITH OVZ IN THE INCLUSIVE HIGHEST PROFESSIONAL EDUCATION

Summary: the article is devoted to a problem of the organization of psychological support for persons with disabilities, aimed at creating conditions that generate attention in the process of teaching skills of University activity.

Keywords: psychological support of inclusive higher education, training and skills the activities of the University, option.

MATEMATICA

Galkanov A.G.

About alternative options to present topics «distance from point to the direct» and «distance from point to the plane» in the course of analytical geometry

Summary. *Illustrates an alternative presentation of the two topics in the course of analytic geometry, diametrically opposed to the traditional method.*

Keywords. *Point, line, plane, the distance, definition, theorem, vector, basis, the normal, equation.*

KADYMOV, V.A.

FORMULATION AND SOLUTION OF THE BOUNDARY VALUE PROBLEM OF PLASTIC COMPRESSION OF BIMETALLIC STRIP

Summary. *The boundary value problem of plastic compression of a bimetallic strip between the approaching planes of massive plates is formulated. The condition relative to the geometrical and mechanical characteristics that takes place the plastic flow throughout the volume is given. The stress distribution and the total force required for the process are obtained.*

Keywords: *plasticity, boundary value problem, the process of compression of the strip.*

THE TRIBUNE OF A YOUNG SCIENTIST

Antonov K.A.

Problems and solutions of the organization and practical study students of the faculty of book publishing (for example, MGGEU)

Summary. *In the article the questions of the organization of practical study. The author proposed a method for improving institutional arrangements and a focus on the most important aspects of study of students of the faculty of book publishing to enhance their professional skills.*

Keywords. *Practical study, study process, study, software, project, business game.*
